## A NOTE PASTOR'S DESK

### God be Praised!

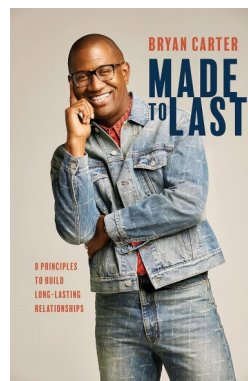

Much has happen since the last publication of the Messenger. Families have lost their homes and many are displaced because of the Eaton wildfire. I want to thank you for your donations and volunteered service. We will continue to support and uplift those who have been affected by the devastation, offering a sanctuary for healing and renewal. Together, we aim to navigate these trying times and emerge stronger, fortified by our shared faith and communal bonds.

We will keep you informed of our weekly events.

*Dr. Hurtt*

## BOOK OF THE MONTH

### MADE TO LAST: 8 PRINCIPLES TO BUILD LONG LASTING RELATIONSHIPS

Relationships. They mean everything to us. They can be the source of our greatest joys and our greatest frustrations. Building long-lasting relationships don't happen by accident but by intention. Virtually all of us intuitively know we could use help. But we don't need fluff; we need clear insights, a way to tap into the love and power of God, and practical, effective steps to improve our most important relationships. In this book, Bryan Carter provides these essentials. With wit and humor,

personal examples, excellent research, and sound biblical principles, he helps us build better connections with the people we love.

**Bryant Carter** will be speaking at the Marriage Conference at Atheron Baptist Church. *See the flyer included in the Messenger.*

Let's not forget our sick & shut-in/recovery. As we all need prayer, please remember those among our church family who are currently dealing with health issues at home or in other places, such as nursing and rehabilitation facilities, and assisted living facilities.

*"...and pray for one another, that you may be healed. The effective, fervent prayer of a righteous man avails much."*
